THE DISTRICT

Sienna 86 is located between two of Warsaw's key business hubs — Rondo Daszyńskiego and Rondo ONZ. Warsaw Spire, Warsaw Unit, Skyliner and the Varso complex are all within easy reach.

Both metro stations on line M2 are under ten minutes away on foot, and the Central Station is a twelve-minute walk. Chopin Airport is roughly nine kilometres by car.

An aerial photograph of a modern multi-story residential building, Residence Sienna, situated in an urban environment. The building features a central courtyard with lush greenery and a paved walkway. The roof of the building is covered in greenery, creating a green roof effect. The building is surrounded by other urban structures, including older brick buildings and modern glass-fronted buildings. The overall scene is captured from a high angle, providing a comprehensive view of the building and its surroundings.

ARRIVAL · ONE

The address

Residence Sienna is a residential building completed in 2007, arranged around a mature private garden that gives it the character of a managed city residence rather than a conventional apartment building.

The approach is deliberate rather than incidental: a recessed glazed entrance, a paved forecourt and sculpted figures along the parapet. A client arriving for a meeting forms their first impression before reaching the .

The building occupies a quieter stretch of Sienna Street, west of Żelazna, between Rondo Daszyńskiego and Rondo ONZ - a central location within easy reach of Warsaw's principal business, dining and lifestyle destinations.

THE ADDRESS

A business address, not a flat number

The reception is staffed 24 hours a day and can receive documents and deliveries on behalf of the office — providing the practical convenience of a serviced business address as part of the building's standard service.

- Professional security, 24/7, with controlled access
- Video entry system
- All visitors pass through the security desk
- Established long-term residents and businesses

FOURTH-FLOOR ACCESS
Two elevators provide easy access for owners, employees and guests.

ARRIVAL · THREE

Parking space No. 1

Parking space No. 1 is included with the property. Located immediately off the ramp and wider than a standard space, it provides easy access and generous room to open the doors. It comfortably accommodates a full-size SUV, without tight turns or difficult manoeuvring.

- Private space within the building's secure underground garage
- Direct approach from the entrance ramp
- Generously sized and suitable for a large SUV
- A genuinely scarce asset in central Warsaw

THE LAYOUT

Planned as a working office

Three private rooms are located along the quieter side of the building. The main workspace has direct access to the balcony and overlooks the courtyard. Storage, the server room and other service areas are located in the central part of the office, keeping the main rooms open and comfortable.
